TIPS:

BüllsPort is the *ideal stopover* at the beginning or end of your round trip through southern Namibia. When travelling from South Africa, it provides a peaceful break on the way to the Namibian coast.

Route of History via B1 and C24 (90 km tar and 145 km gravel road): Rehoboth with museum about the history of the Basters, Sam Khubis memorial commemorating the skirmish between the Basters and Germans (1915).
