Travelling Namibia is not about ticking off, but taking in:

- Slowing down and relaxing instead of sight-seeing and lodge-hopping
- Arriving and "refuelling" - without thinking about driving on
- Resting and reviving by experiencing nature intensively
- Staying and feeling comfortable in a personal atmosphere, far away from the travel hype

The use of our 14 hiking trails to explore on your own is also included.

Not included, but optional activities: Quiver Tree Gorge Trail and Bogenfels/Rock Arch Trail (each with an adventurous scenic drive), horseback riding (also for beginners), farm tour and carriage ride. Our bicycles are available free of charge. For prices, please see the current price list.
